We have also developed a code of conduct for our children who compete in sporting teams. The code has been developed in line with our KERI values. Below is the code.

Sun Smart

During Term 1 and 4 it is compulsory for children to wear the school hat when outside. There are many reasons why we make wearing hats compulsory, you just need to look at the statistics.

Statistics

- Over 4000 people are diagnosed with either melanoma in situ or invasive melanoma every year in New Zealand – that is around 11 every day.
- It is the fourth most common cancer in New Zealand and accounts for nearly 80% of all skin cancer deaths.
- **Around 300 New Zealanders die of melanoma every year.**
- New Zealand and Australia have the highest melanoma incidence rate in the world.
- Although Maori and Pacific people have a lower chance of getting melanoma, they often have thicker, more serious melanomas.

Death rates are higher among men and appear to be increasing.

Lunch Boxes

We are noticing an increased amount of glad wrap and food packets being left around school after eating time. We are a zero waste school so all wrappings must go into the children's lunchboxes and be taken home for disposal. You could help your child by minimising the number of wrappers put into their lunchboxes. Boxes with compartments work well and mean that wrappers are not needed at all.

Thank You

Thank you to everyone who is following our procedures around parking and stop, drop and go. By everyone following the same procedures, it is making the traffic flow in and out of school a lot better.

A couple of reminders:

1. Both carparks are for staff cars only, please do not park in any of the carparks.
2. No parking in the stop, drop and go area until after 2.45pm.
3. At stop, drop and go please do not get out of your car.

Transition Meetings

In the coming weeks we will be holding transition and information meetings for our Year 1 children and parents, our Year 2 children and parents and our Year 4 children and parents. These meetings are to inform parents and children about what to expect when they move teams next year.

- Year 1 going to Year 2 - 6.00pm-7.00pm Thursday 28 November, Week 7, Room 8
- Year 2 going to Year 3 - 6.00pm-7.00pm Thursday 5 December, Week 8, Room 27/29
- Year 4 going to Year 5 - 6.00pm-7.00pm Thursday 12 December, Week 9, Room 28/30

Signing In and Out

If for any reason you come to school, you must come to the office first and sign in. This is a health and safety requirement as if we have an evacuation or other emergency we need to know who is on site so we can account for them. When you leave the school, you must also sign out so we are not looking for you in case of an emergency.

Country Show Day

Thank you to everyone who have helped us in any way in the organisation of our Country Show Day. The PTA have been working extremely hard in making this day an exciting and fun day for all. This is our major fundraising event of the year so please come along and support your school and children.

Photolife

Before photos can be ordered, they are checked to ensure they are correct and up to standard. We are in the process of doing this now. Once completed a Shoot Key slip will be issued and given to each individual student to bring home.

As soon as you receive this, you can go online, view and order your child's photograph. (A shoot key is a private 8-digit code, when entered into the online website will bring up the students images).

The Silver Fins played the Silverdale Sharks tonight. Although we were 4 team members down, the Fins played really well, and the Player of the Day was Julian Beall (pictured) for his tenacity and sportsmanship under tough conditions. Well done to all the Team.
